East Lothian Yacht Club Closed Regatta 26th - 27th September 2020

ELYC is holding its annual closed regatta in late September (we might shift it to the following week if the weather is rubbish). The Regatta will include one day for dinghies (probably the Saturday) and a separate day for asymetrics. We envisage that up to 30 members will be able to take part on each day, including the safety boat cover. Registration will be open to all members.

Racing on each day will start on each day at 12:55 with a briefing at 12:00 hours at the clubhouse. All classes are welcome. Separate class starts will be organised for fleets with at least 5 boats.

Registration will be available online at ELYC's website
